Twitter spaces Ai bot assignment

Someone will build the AI bot and has already started working on it.

The project has been accelerated to overdrive, but it is still a great idea.

Developing an AI bot for Twitter Spaces

The speaker initially had the idea to build an overdrive feature, but later shifted focus to creating an AI bot for Twitter Spaces.

As of now, there are no similar features like overdrive in Twitter Spaces.

Twitter spaces AI bot is a great idea

People have not done it yet, but it is a great idea and can be useful all the time

Using AI bots in Twitter spaces can be a winning strategy
